## Summary

Enthusiastic sustainability major with research experience, seeking a summer internship with the Environmental and Energy Study Institute, utilizing research and teamwork skills.

## Education

Bachelor of Science in Sustainability May 20XX  
Arizona State University, Tempe, Arizona GPA: 3.85

## Professional Experience

**Research Intern**, AgriBio Inc., Seattle, Washington August 20XX - December 20XX

- Coordinated with senior researchers to record potential energies exerted from algae batches
- Presented findings to senior researchers and advised on research directions
- Checked to ensure measuring equipment was working to spec so that findings would not be misleading

**Cashier**, Target, Phoenix, Arizona September 20XX – July 20XX

- Assisted up to 20 customers per hour with any questions or concerns to ensure optimal customer satisfaction
- Facilitated check-out lanes with quick and accurate transactions to alleviate long lines
- Enacted opening and closing procedures, following specific guidelines, to ensure store security

## Extracurricular Experience

**President**, ASU Green Club, Tempe, Arizona August 20XX – Present

- Lead chapter meetings by following the club's predetermined meeting agenda and specify goals for the club to reach at the end of each meeting
- Promote awareness of the environment during both club events and interactions with students
- Coordinate with ASU staff and mentors on executing planned events to secure maximum outreach and impact on the ASU community
- Adapt to a variety of last-minute changes to properly meet event requirements

**Volunteer Gardener**, Poly Gardens, Mesa, Arizona December 20XX - Present

- Serve as one of the primary volunteers that maintain the community gardens at the Polytechnic campus year-round to ensure that seasonal plants are growing at their optimal rate
- Record output of every fruit and vegetable patch and make recommendations to staff gardeners on how to improve the garden's yields
- Promote volunteer opportunities with the garden to fellow classmates to secure a steady stream of volunteers every semester

## Skills

Microsoft Office 20XX (Word, PowerPoint, Excel, Outlook)  
ABC Point-of-Sale System Software
